Kelly

Jerry & I would like to thank you for a perfect and very special 50th Wedding celebration at your Hotel on July 30th, 2011.

Our sons, Matthew and Mark & our daughter-in-laws, Leanna & Julie, with your help, made a good size party go very smooth.

We had many of our guests comment how wonderful the meal and desserts were and we so very much agree.

We also wish to thank the hotel staff etc. for being so accommodating to our friends and family who stayed at the hotel for the party and giving them a special rate.

We appreciate your kindness.

We will continue to recommend the Village Green Hotel to our out-of-town guests.

Thank you again.

Jerry & Marciow
